To : The United States Attorney General

And the Federal Judges

Case# 1:15-CV-00694

By Geneva Convention, law, after brainwashing, tortures, rape, psychiatric treatment until my heart stop beating... peace maker in place...

By the taxes I used to pay, when I was working, I received the one third insurance called Social Security Disability Benefits to see community Army by order of the Haitians Gestapos and their associates that put censure in all access to United States Government Offices responsible to provide the money

Yesterday, I mailed this letter, after the clerk of the post office told me it is not

Possible to go the the Federal Square area, by bus, any means, ... to find out , after I mailed the letter ... that the bus to Federal Square stand in front of the post office

Opposite side

I called them on my way to Federal Square to hear the tape answering my inquiry cutted off, the operator skipped the number I have entered properly, young soldiers in civilian clothes told me they have returned the letter to Bedford Stuyvesant Army who have sequestered my apartment and mail box keys,

While coercing my son, to put me with representative payee and the neighborhood Army plunging fake money, accusation to get search warrant

Like the HAITIAN , on Democracy Now and then bragged their eviction technic

Of planting of evidence with National Grid and other to make homeless

The letter contained all my Social Security information and my sister that vanished information since she was having benefits and section 8 like me in Boston, MA with Cole management super on her case 24/7 like me to harass and murder her Also.

The Mass Murderer, Army, Super intendant, narcotic agent pay by Junon Dominique, legal kidnapper who wrote blood swastika of their victim in the U.S.A.

And Haiti with a September 11,2001 organization ... NASA ties have one song

This check is for HAUP, (Haitian American United FOR Progress) with a procedure to have recipient signed their check and murder them in six months like Rose Marguerite Codada, as she and her sister explained to me... before and after she died (by hallucination NASA strategy) in Haiti from N.Y. after she signed her check To them... for Representative Payee

This lady: "Me" I heard them say pointing their finger : She is a criminal, on identification thief...we are tired to see her... we have evidence on her, she cannot prove any thing... no where... we bleach her information... kill her and her child

The One World Government Soldiers are actively busy to achieve me and my son on false accusation evidence added or removed ad libitum

Please Honorable Judges, I KNOW , by experience, for Haitian to arraign(Spider cast) their victim every thing is legal including September 11, 2001 mass murder

↪ I am only kindly requesting for you to get the mail addressed to your honor, the inspector General office, from both Poste offices as a Federal Jurisdiction matter

And take appropriate action against the pay FBI hired by Junon Dominique of 55 Botford Street Hemstead, N.Y. 11550

In my civilian understanding , I reported to the 103 police precinct , and 26 Federal Plaza the assassination of The Attorney General employee in Haiti ,investigating The Bank , their money legal or fake sell by street soldiers name Cambeese , both

U.S agencies said "NO JURIDICTION" ON MURDER done in Haiti by Haitian NASA
EMPLOYEE TECHNIC... WRITE your concern to the Attorney General Office , not to
us.

Their song is "SHE JUST LOST THIS CHECK" it is for us... I heard the mass murderer
